It is the responsibility of the Lunch/Afternoon Tea Crew to clean up the kitchen at the end of day and to clean & lock up the new toilets & to turn off pump. If we all work together we should be able to manage without having to miss seeing our children ride, and helping the Club at the same time. If your name is not on the roster please volunteer to help - no help is refused! It is also a great way for new members to meet everyone!

Kind Regards, MVPC Committee

PS We are looking for a new Canteen Coordinator if anyone is interested!
